

TENSEI™ AV BLUE AM(2) IRONS

Mid Launch/Mid Spin

TENSEI™ AV AM(2) Irons Series unites two powerful MCA Golf innovations – our Aluminum Vapor (AV) weave and an Ascending Mass (AM) configuration – to produce an incredibly versatile and playable range of composite iron shafts. AV Blue AM(2) irons are best for players who prefer a midweight shaft and value the versatility of a series that blends longer, easier-launching long irons with consistent, precise scoring clubs.

Aluminum Vapor (AV) coated fibers in the shaft's mid-section produces outstanding stability from a thinner, tighter weave. This is combined with a 2g ascension that runs from the longer irons through the scoring clubs. This gradual increase in weight promotes a smooth progression from faster-swinging, easier-launching long irons to more consistent and controlled short irons.

SHAFT SPECIFICATIONS

Shaft Name	Flex	Length (in)	Weight (g)	Tip OD (in)	Tip // (in)	Butt OD (in)	Torque (deg)	Kick Point
TENSEI™ AV Blue AM2 Iron	R	40"	70	0.355	NA	0.590	3.3	MID
TENSEI™ AV Blue AM2 Iron	R	39.5"	72	0.355	NA	0.594	3.3	MID
